- Chop Shops
- Criminal Sophistication

## WATPA

Washington Auto Theft Prevention Authority

The Washington Auto Theft Prevention 1<sup>st</sup> Annual Auto Theft Conference provides realistic applicable training for police auto theft investigators.

The focus of the conference is to assist detectives, officers, supervisors, task forces and teams with techniques and knowledge that will enhance abilities and maximize resources to combat auto theft.

This training, which will provide attendees opportunities for networking, will be conducted by officers and detectives who have been instrumental in successful team and case management.

Make plans today to join your colleagues at this event—specifically created to meet the needs of those engaged in auto theft investigative activities.
